Signature of Chairman:	Date approved:

General Information:

- Visitors entering by vehicle must present the following before the resident will be contacted to grant access:
 - 1) Accurate stand number,
 - 2) Valid driver's licence of driver,
 - 3) Vehicle license disc to correspond with the registration number.
- Visitors on foot: We require these persons ID's before resident will be contacted to collect them at the main gate. Visitors on foot are not allowed to walk from the main gate to the property and back to the main gate.
- Gardeners, Contractors and Domestic workers may not enter as a visitor and may not be collected from outside the Estate. Residents must be sensitised not to recruit casual workers. Security access procedures must be followed.
- Foreign employees must have a passport with the valid SA Home Affairs work permit stickers within the passport.
- Please note a copy of an I.D must be certified and is only valid for 3 months.
- The cost of an access card and fees for sub-contractors or additional contractors, are subject to change and will be levied to the owner's levy account.
- It is the responsibility of residents to notify contractors and visitors of the above-mentioned procedures.
- Access cards are limited for persons residing in the Estate of which a domestic and gardener is allowed. Residents are not allowed the have more than one card on a stand for the same person. If the limit of access cards is reached - an application form must be completed for approval before an extra card will be issued. The access card is programmed to only open for the area where the resident resides.
- The full scope of the Estate Rules & Regulations are on the Estate's website: **www.the-wilds.co.za**.

Hereby I the undersigned am fully aware of all the Rules & Regulations. Members of the HOA take full responsibility for their tenants their visitors and for those who access has been granted. Owners and Tenants will also be solely responsible for the information on the data base to be correct.
