

Application for RF – Remote Frequency TAG (Optional) Cost: R150.00 per vehicle

Only for residents residing at:

Leopards Den
Cheetahs View

Elephant Hills
Buffalo Creek

Lions Head
Rhino Ridge

1. The tag will not open the main entrance & exit booms of the Estate. The biometric system must be used. Sensors at the Sub-Estates will read the tag and will automatically open the booms. The tag is not compulsory and the resident can alternatively use the biometric system at the Sub-Estate.
2. To apply for the tag, the resident must register the vehicles registration number on the GloPortal.
3. The vehicle must be taken to the Clubhouse for the resident to install the tag under supervision of an administrator.
4. If the tag is removed it will no longer work and another tag must be purchased.
5. Residents will be notified when the tags are ready for installation.
6. Owners who let their properties will be liable for the cost occurred by their tenants.
