Dear Homeowners and Residents,

THE WILDS CIRCULAR – VETTING PROCESS

It is with great regret that the Estate Management informs you of the following:

The GLO CMS App for the vetting process does not upload photos exceeding 6MB in size.

After two months of vigorous and intense discussions, including a trial run, GLO CMS assured us that their vetting application was ready for launch. However, due to this failure, GLO CMS has removed the vetting app until further notice.

The vetting process will continue. Please visit this direct link on The Wilds website and follow the steps provided:

<https://www.the-wilds.co.za/security/vetting-request/>

1. Read the instructions carefully before completing the Vetting Form.
2. Complete and submit the vetting form. Important information is included on this page for your attention.
3. After submitting the vetting form, the International Assessment Centre will confirm your booking via email.
4. Once your booking is confirmed, please adhere to your time slot. Should you miss your appointment, a 50% admin fee will be deducted from the vetting cost, and the next appointment will need to be rescheduled.

On the Day of Vetting – What to Bring to the Vetting Office (Located at Gate 1):

1. The employer or resident must accompany the person being vetted. (Fingerprints of the person being vetted will be taken.)
2. The vetting payment can be made electronically via EFT. Banking details of the International Assessment Centre are listed on the vetting request form (available on The Wilds website:

www.the-wilds.co.za/security/vetting-request/

3. The following supporting documents must be submitted on the day of vetting:
 - o Proof of payment, or payment can be made via bank card on the day.
 - o Certified copy of a valid RSA ID.
 - o If the individual is a non-South African, a valid work permit (the work permit is a sticker stamped by Home Affairs within the passport) – not expired.
 - o Certified copy of a valid passport (if a non-South African).

Note: Copies can be made on presentation of the original document(s) at Gate 1.

Important Notes:

- No asylum seeker documents will be accepted.
- For new tenants, the same process and documents are required, with the addition of:
 - o A copy of the lease agreement.
 - o A valid driver's licence.

Please note: The above requirements must be met before access to the Estate will be permitted.

Kind regards,

ESTATE MANAGEMENT
