To all owners and residents  
The Wilds

To align with the upcoming year-end and festive season planning, all committee functions and administrative activities will temporarily end. Many of these activities coincide with the closure of external and third-party service providers.

During this period, the committees will be unavailable for routine matters and non-urgent requests.

#### AESTHETICS COMMITTEE

All plan submissions, approvals, inspections, and clearance requests will close on Friday, 12 December 2025, and will resume on Friday, 16 January 2026.

#### CLUBHOUSE COMMITTEE

All HOA clubhouse activities will end on Friday, 5 December 2025, and resume on 16 January 2026.

The clubhouse committee expressively requests that if any of the venues are exclusively booked during the festive season, bookings are respected.

#### CONTRACTORS

The HOA considers the period 15 December 2025 to 5 January 2026 as the annual contractors' holiday, and as such, no contractor activities, construction, or other work, [unless an emergency such as a burst geyser], will be possible or allowed. During this period, the access control will be managed accordingly.

#### SECURITY

All security rules and protocols will remain unchanged and will be managed and enforced by the security service provider.
